

RENEE CASHMAN,
Plaintiff(s),
vs.
VALLEY HEALTH SYSTEM, LLC, et al.
Defendant(s).

Pending before the Court is the fourth request to extend various deadlines set forth in the scheduling order, filed on December 19, 2013. Docket No. 32. The Court has already explained to the parties the relevant standards for requesting an extension to a deadline less than 21 days before it expires, *see* Docket No. 26 (minutes from hearing), *see also* Local Rule 26-4, yet the stipulation again fails to discuss the relevant standards. Accordingly, it is hereby **DENIED**.

IT IS SO ORDERED.

DATED: December 20, 2013

NANCY J. KOPPE
United States Magistrate Judge
